Eric C. Conn hearings put on hold for 60 days

(WYMT) - The Social Security Administration suspended the ongoing redetermination hearings for former clients of Eric C. Conn.

The hearings are put on hold for 60 days so that clients have a chance to recover files that were recently removed from Conn's old law office.

In a Facebook post, attorney Ned Pillersdorf said Congressman Hal Rogers was instrumental in getting this done.

If you are a former Conn client and you are looking to recover your medical files for an upcoming hearing, click <u>here</u> for contact information for the receivers who currently have the files.
