The Republic (Congress) and Emperor (President) have spoken! The galaxy has heard a mysterious broadcast, a promise of Hope during the time of Covid called "The American Recovery Act." But what does it mean for you and your taxes? What if you've been unemployed? What if you already filed? Don't worry, AppalReD attorneys have gathered intelligence and can train you for battle against the diabolical Form 1040. An attorney, some call the YODA of tax law, from the Low Income Tax Clinic will speak on May 4th at 10 a.m. . . .

AppalReD Legal Aid's Low Income Tax Clinic will present information on what you need to know about changes in tax law and benefits from the American Recovery Plan Act. You'll learn about common tax scenarios during COVID (like unemployment wages) and how to file an amended return if you need to.
