## Recovery Central Celebration in Whitesburg

Recovery takes a village! That's actually one of the reasons AppalReD Legal Aid started Project Renew, which provides free legal help to people in recovery. Because people CAN and DO recover, especially when they receive community support.

Mark your calendar for July 27th and join Project Renew attorneys and paralegals in Whitesburg, KY at Recovery Central sponsored by the HEAL (Help End Addiction for Life) consortium. The event kicks off at 4:00 with resource booths. Explore the community resource booths and take advantage of free fentanyl test strips, Narcan, HIV/Hep C testing, and more. Gather with community over a free dinner at CANE kitchen and stay for a free concert that will heal your spirits featuring the beautiful renderings of Senora May.
