What Do We Mean By At Risk of Homelessness or Homeless

The best way to find out if you qualify for services through VALAR-KY is to call the Central Intake line. They will complete a short screening. Homelessness and risk of homelessness includes many different situations, such as:

- living in the home of another because of economic hardship;
- moving twice in 60 days;
- Having electricity or water cut off by landlord to "evict"
- paying to live in a motel;
- Living in an overcrowded unit;
- exiting an institution of system of care (mental health facility, corrections, foster care, etc.);
- fleeing domestic violence; and
- other situations that put the individual at increased risk of homelessness.
