

Disaster Legal Services

Flood and tornado survivors facing denied FEMA claims, landlord-tenant disputes, lost documents, contractor scams, or other disaster-related legal issues can call **AppalReD's Disaster Intake Hotline at 1-844-478-0099** to apply for free legal assistance. Survivors can also visit an AppalReD office, connect with staff at Disaster Recovery Centers, or leave a message for a Disaster Response Team member to return their call.

AppalReD Legal Aid's Disaster Response Team consists of two attorneys and three paralegals. The team was formed in response to the July 2022 floods that devastated much of Eastern Kentucky. After the floods, the team assisted hundreds of clients with appeals to FEMA to obtain additional financial assistance for the repair or replacement of homes, vehicles, and other personal property. The team also assisted clients with many other types of civil legal issues.

If a disaster strikes in Eastern Kentucky, AppalReD will be there to assist low-income individuals and families with their legal needs every step of the way. Please visit our “Disaster 101” page (under construction) for information on how you and your family can prepare for different types of disasters that may affect our region.
