

Disaster 101 Information Hub

Welcome to Disaster 101: Your Legal Information Hub for Disaster Recovery

When disaster strikes, the challenges can feel overwhelming—but you don't have to face them alone. In fact, please don't! AppalReD Legal Aid is here to help, and there are many community organizations assisting survivors in our region.

Disaster 101 is your resource for understanding the legal issues that arise before, during, and after a disaster. Whether you're dealing with FEMA appeals, housing concerns, insurance claims, employment issues, or accessing other vital assistance, this hub provides clear, practical legal information to help you navigate the recovery process.

Explore our resources, find answers to common disaster-related legal questions, and connect with support that can make a difference.
