WHAT IS EXPUNGEMENT?

Expungement is the legal process where an arrest, charge or conviction are completely removed from your record. In Kentucky, if you do not ask for expungement, the arrest, charge or conviction will stay on your criminal history. This means that any time your background is run, the conviction will show up. This can hurt job opportunities, school or educational opportunities and even some government assistance programs. Expungement gives you a clean slate.

AM I ELIGIBLE FOR EXPUNGEMENT IF I WAS CONVICTED OF A MISDEMEANOR?

Yes, you can apply to expunge an unlimited number of misdemeanor charges. However, the waiting period for misdemeanor expungement is 5 years from the time that you complete your sentence. However, if there is an enhancement period, you are not eligible for expungement until the completion of that time. For example, DUIs are enhanceable (higher punishment if you get a second or third in a set amount of time) for 10 years, so you are not eligible for expungement until you have completed the 10-year period.

AM I ELIGIBLE FOR EXPUNGEMENT IF I WAS CONVICTED OF A FELONY?

Most Class-D felonies are eligible for expungement. Under certain circumstances, more than one Class-D felony can be expunged. If you are eligible for and receive expungement, your voting rights will be restored as long as you have no other felonies on your record.
