Natural Disasters are devastating, and they often sideswipe us when we least expect it. Let's change that. We'll never know when the next disaster will occur, but there are things we can do to prepare!

REGISTER today for this free online legal clinic by calling 1-844-478-0099. Get help with simple estate planning and learn about how to be READY when disaster strikes. This clinic will help low-income residents of our service area prepare for possible future disasters.

At this clinic, we'll start with a brief informational session and then you'll have the opportunity to meet one-on-one in a virtual break out room with a pro bono or legal aid attorney. They can help with simple estate planning.

Get answers to questions like: Where do I keep documents? Who needs to know where they are? What other actions can I take to be ready? What are some legal issues that could up in a disaster and how can I be prepared?
