REGISTER today for this free online legal clinic by calling 1-844-478-0099. Get help with simple estate planning and learn about how to be READY when disaster strikes. This clinic will help low-income residents of our service area prepare for possible future disasters.

At this clinic, we'll start with a brief informational session and then you'll have the opportunity to meet one-on-one in a virtual break out room with a pro bono or legal aid attorney. They can help with simple estate planning.

Get answers to questions like: Where do I keep documents? Who needs to know where they are? What other actions can I take to be ready? What are some legal issues that could up in a disaster and how can I be prepared?
