This clinic will reoccur every other Wednesday at 11 am!

The best time to prevent an eviction is BEFORE it happens.

Here's some issues we've helped with:

-No hot water for weeks
-Fear of retaliation after complaining about unsafe conditions
-Threats of eviction after domestic violence
-Dispute over a service animal

Give us a call and see if we can help! Free online eviction prevention clinic is every other Wednesday!

During the online clinic, tenants will be paired with an attorney to go over their issue and documents. They will develop a strategy to try to resolve the issue without an eviction ever being filed.

This clinic is virtual and will take place over Zoom.

To register, please call AppalReD Legal Aid Central Intake at 1-866-277-5733 or make an online application.
